- Dental and Optical Assistance for Seniors
- Special Needs Assistance for Seniors

To apply for these programs, please complete the enclosed application form, attach photocopies of all applicable documents and forward to Seniors Financial Assistance using the enclosed return envelope.

In addition to the programs listed above, this booklet has information on the Seniors Property Tax Deferral Program (Page 9). A separate application is required for this program.

You are eligible to apply for the Seniors Financial Assistance programs, if you:

- are 65 years of age or older;
- have lived in Alberta for at least three months immediately before applying;
- are a Canadian citizen, or have been admitted into Canada for permanent residency (landed or sponsored immigrant); and
- have not chosen to defer receipt of your Old Age Security Pension

If you meet all of the above requirements, your eligibility for assistance will be determined based upon the specific criteria for each program.

Once your Seniors Financial Assistance application has been processed, a letter will be sent to you advising of your eligibility.

Note: If you and/or your spouse/partner have chosen to defer receipt of the Old Age Security pension, you are not eligible to apply for the Seniors Financial Assistance Programs.

Income

Income verification is a requirement of the following Seniors Financial Assistance programs: Alberta Seniors Benefit, Dental and Optical Assistance for Seniors, and Special Needs Assistance for Seniors.

Limited income information is used to determine benefits — with your consent. It will be obtained directly from the Canada Revenue Agency (CRA). Only the income sources needed to determine your eligibility will be collected.

Benefit Year

Your previous year's income will be used to determine benefits for the benefit year which runs from July 1 of the current year to June 30 of the next year.

Alberta Seniors Benefit

The **Alberta Seniors Benefit** program is an income supplement in addition to federal income sources including Old Age Security (OAS) and Guaranteed Income Supplement (GIS). Assistance is based on income and the program provides a monthly benefit to eligible seniors.

The benefit is determined by:

- the type of accommodation you live in
- your marital/cohabitation status
- your income (combined with your spouse/partner's income if applicable)
- receiving the federal Old Age Security pension, e.g. having lived in Canada for 10 years

In general, a single senior with an annual income of \$26,400 or less, and senior couples with a combined annual income of \$43,000 or less, are eligible for a benefit. These income levels are guidelines only, and are for seniors whose income includes full Old Age Security pension.

Maximum Benefit Available

Accommodation and Marital/Cohabitation Status	Maximum Annual Benefit <i>(if eligible for OAS)</i>
Homeowner, Renter or Lodge Resident	
Single Senior	\$3,360
Senior Couple	\$5,040
Other Residence Categories	
Single Senior	\$2,340
Senior Couple	\$4,680

Long-Term Care or Designated Supportive Living Residents

Benefits for seniors living in long-term care and designated supportive living facilities are calculated to ensure a senior has at least \$315 in disposable income every month after paying their accommodation charges. For more information or to determine your benefit, please call the Alberta Supports Contact Centre toll-free 1-877-644-9992 or 780-644-9992 in the Edmonton area.

Alberta Seniors Benefit

Receiving Benefits

You are eligible to begin receiving benefits the month of your 65th birthday. If you are a new Alberta resident, you are eligible to begin receiving benefits:

- the month of your 65th birthday, or
- three months following permanent residency in Alberta (e.g. if you moved to Alberta on July 15, you are eligible to receive benefits on October 1).

Whichever is later.

Retroactive Benefits

Benefits are paid retroactive for up to 11 months prior to the date your completed application form is received, but not earlier than your 65th birthday or three months of permanent residency in Alberta.

Payment Termination

Benefits stop:

- the month after you leave Alberta to live in another province or country
- the month following when death occurs

Involuntary Separation

Couples who are involuntarily separated for health reasons, where one lives in a long-term care or designated supportive living facility and the other lives in the community, may have additional accommodation costs.

As a result, the Alberta Seniors Benefit program will maximize benefits by combining your and your spouse/partner's income, then dividing it equally and assessing you each as single seniors.

The **Optical Assistance for Seniors** program provides assistance to a maximum of \$230 towards the purchase of prescription eyeglasses every three years.

	\$52,801 to \$63,350	Partial Coverage	Up to \$115/senior

How It Works

The Alberta Dental Service Corporation (ADSC) has been contracted to process dental claims for the Dental Assistance for Seniors program. ADSC issues payments to the service provider (dentist/denturist) or the senior, depending on how the claim is submitted. Questions regarding coverage of dental procedures or claims can be made toll-free to **Alberta Dental Service Corporation at 1-800-232-1997**.

Alberta Blue Cross (ABC) has been contracted to process optical claims for the Optical Assistance for Seniors program. ABC issues payments to the service provider or the senior, depending on how the claim is submitted. Questions regarding coverage of optical procedures or claims can be made toll-free to **Alberta Blue Cross at 1-800-661-6995**.

Your claim will be paid in one of two ways:

1. **If your service provider bills directly:** The program will pay the service provider for the amount that is covered by the program. If there is a difference between the amount covered by the program and your bill, you need to pay the difference.
2. **If your service provider does not bill directly:** You pay the full bill. Then, you can submit a Claim Form (available from your service provider) to be reimbursed for the eligible amount.

Special Needs Assistance for Seniors

The **Special Needs Assistance for Seniors** program provides a lump-sum payment to eligible low-income seniors. This program provides assistance with the cost of appliances, minor home repairs and some health and personal supports. A single senior's or senior couple's total annual income and the expense or item requested are used to determine the amount funded.

To be considered for the Special Needs Assistance for Seniors program, you must first complete the Seniors Financial Assistance application form to register. Once you are notified of your eligibility for Special Needs Assistance, you can submit your request for assistance towards the cost of an item funded by the program.

Income Eligibility:

In order to be eligible for assistance, your total income (line 150) of your tax return needs to meet these levels:

	Primary/Secondary	Primary Only	No Funding
Single	\$0 - \$22,000	\$22,001- \$26,400	Over \$26,400
Couple	\$0 - \$34,800	\$34,801- \$43,000	Over \$43,000

The maximum assistance available is \$5,000 in a benefit year. Assistance is available for allowable special needs such as: appliances, certain medical expenses, and minor home repairs. Receipts or estimates are required.

The Seniors Property Tax Deferral Program

The Seniors Property Tax Deferral Program (SPTDP) allows eligible senior homeowners to defer all or part of their property taxes through a low-interest home equity loan with the Alberta government. If you qualify, the Alberta government will pay your residential property taxes directly to your municipality on your behalf. You re-pay the loan, with interest, when you sell the home, or sooner if you wish.

Eligibility

To qualify for the Seniors Property Tax Deferral Program, you must:

- Be 65 years or older
- Be an Alberta resident
- Own a residential property in Alberta
- Have a minimum of 25% equity in your home

Only residential properties are eligible. The home must be your primary residence (that is, the place where you live most of the time).

If you owe arrears from previous years' property taxes, you can still apply to the Seniors Property Tax Deferral Program, as long as you have a minimum of 25% equity in your home.

Interest Charge

Simple interest (not compounded) will be charged starting from the date that the SPTD program pays your residential property taxes to your municipality on your behalf and ends when your property tax deferral loan has been paid in full. The interest rate is variable and is reviewed twice a year in April and October and may be adjusted accordingly.

Applying to the program

You must complete a Seniors Property Tax Deferral application form in order to apply to the program.

For an application form or for information on the current interest rate, please visit our website at www.seniors.alberta.ca or you can call the Alberta Supports Contact Centre toll-free at 1-877-644-9992 or 780-644-9992 in the Edmonton area.
